

# INDUSTRY WORK PLACEMENT

# INTRODUCTION

- Level 3 Qualification: Extra
- 2 Years
- Students completing Btec Business or Btec Health and Social Care
- 3 days in School
- 2 days on work placement

# Objective

To give students the opportunity of gaining experience within their chosen industry

As this is a preferred route for those students who are not planning on starting University at the end of Year 13 it will empower these young people, making them more employable and improving their employment opportunities in the future

# The Work Placement

- Linked to future careers aspirations
- Develops students confidence and transferable skills
- Successful - proved to empower students
- Health and Safety checked employers
- Considering current economic conditions this is more relevant than ever
